

PALLETLINK - MEMBER'S WEBSITE PASSWORD APPLICATION - Form 3

The new PalletLink pallet and packaging website is www.palletlink.co.uk it was launched in December 2007. The site contains 54 pages of information covering a wide packaging spectrum and is of interest to both manufacturers and users of pallets and packaging. Most pages contain several PDF datasheet downloads which include information on specifications, standards, timber problems, phytosanitary requirements and Excel programmes for wood packaging design assistance. Most of these downloads are exclusive to members and only accessible through the use of a password unique to each member Company. Most members have already completed their Form 3 and received their password and this form is for those who have mislaid their mailed original. In order to receive your password please complete, sign and return this form to us – only one fully completed form per company is needed.

My Company, as a PalletLink member, wishes to receive a unique password that can be used by any employee of the Company to access and download any information or Datasheet on the PalletLink website. We confirm that the password will not be passed to any person or organisation outside the Company. We also agree not to place PalletLink Datasheets or Excel programmes on our Company website.
